2-53. Annual payment of county library tax to certain municipalities.

(a) If the governing body of any municipality in the County which supports or operates a free public library on December 31, 1997 does not transfer that library into the County system, the Director of Finance must pay annually to the governing body of that municipality for library purposes, as soon after the beginning of each fiscal year as possible[,];

(1) an amount which would be realized if that portion of the general County ad valorem tax rate on real and personal property attributable to the appropriation for the Department of Public Libraries for that fiscal year were levied against the assessed value, on the preceding County date of finality, of the real and personal property in that municipality; or

(2) a lower amount approved in the annual operating budget or a Council resolution.

For the purposes of this subsection, the amount of the appropriation for the Department of Public Libraries in any fiscal year includes the estimated amount of the payment to that municipality in that fiscal year.
